A One Day Conference

Tuesday 10th May 2022

If you work, teach, care for and support children and young people you'll probably already have an understanding of attachment and trauma.

This exciting conference brings together knowledgeable and inspirational speakers who will provide you with a better understanding of attachment difficulties and trauma, as well as strategies that show you how to apply this learning in your daily practice.

This really is a must-attend event for all those in education, social care and health settings who support children and young people (0-25 years).

KEYNOTE SPEAKER *LISA CHERRY*

Lisa Cherry is an author and a leading international trainer and consultant, specialising in assisting those in Education, Social Care and Adoption and Fostering to understand trauma, recovery and resilience for vulnerable children, young people, and their families. She has over 30 years of experience in this field and combines academic knowledge and research with professional skills and personal experience.

GREAT REASONS TO ATTEND

- Gain a better understanding of trauma and attachment difficulties
- Takeaway plenty of practical ideas, strategies, and resources that you can use immediately
- In-depth sessions delivered by our handpicked key experts who'll make your learning informative as well as fun
- Share best practice and network in person with other professionals
- Certificates of Attendance
- Download speaker's presentations and gain educational resources
- Go back to your workplace re-energised and inspired – so you can really make a difference
