#ASDTraining20
@Medica CPD

This course will provide you with a better understanding and knowledge on autism spectrum disorder as well as simple and effective practical strategies for helping children (3 – 11/12 years old) with ASD feel safe, accepted and competent. Covering a variety of areas including anxiety and stress, challenging behaviours, stretching comfort zones, discipline, and nursery/primary school issues as well as answering all your questions.

We do hope you will be able to join us!

LEARNING OUTCOMES

- Understand the neurology of ASD that supports the need for instruction.
- Describe evidence-based practices in ASD.
- Discuss the foundational skills needed to support self-regulation for young autistic children.
