

MEDICA CPD

Understanding & Helping Young People with Attachment Insecurity &
Complex Trauma Problems

A Half Day Training Course

Friday 27th May 2016, Aberdeen

This course will provide those working with children and young people with a better understanding of trauma and attachment and how you can apply this learning in your daily practice to best support them.

Course Tutor: Calum Hendrie (CPsychol AFBPsS) , Principal Child & Adolescent

Addictions Psychologist, *NHS Lanarkshire CAMHS*
